

ParentMD[®]

A Virtual Pediatric Healthcare Partner

ParentMD is a web-based platform that connects parents to **telehealth services, educational resources,** and a **community of caregivers** designed to give their families and children the best chance to thrive.

Let us do the homework for you, so that you can focus on making the best decisions for your family.

Telehealth Services

- 24/7 Pediatrician*
- After Hours Pediatric Nurse*
- Emotional & Social Support
- Symptom Checker Software

*Telehealth services are offered by third-party providers and are available in select states due to medical license requirements. Please visit parentmd.com/join and select your state to see which membership you are eligible for.

Educational Resources

- ParentMD Podcast
- Newborn/Toddler Parent Survival Guide
- Specialty Video Courses
- Email Newsletters & Briefs
- Webinars & Conferences

Community of Caregivers

- Resource Navigator
- Parent to Parent Resources
- Recommended Products & Services
- Parent Forum

Memberships start at \$7.99 per month.

Don't wait until your kid is sick or you need answers.
